

STEP 12

Attach the faceplate by hooking the tab into the slot on her forehead and gently pushing down and back so that the face locks into place (there are magnets by the ears that will hold it in place. Push the flesh colored lycra with the rubber neck piece up into the mask to make it look like her wrinkled neck.

All done!

Nushi CyberCat (TBD)

(Image for illustrative purposes only)

Character:

Nushi is a fun, engaging, #selfie character that makes appearances at events, either solo or with Babka.

Audience Engagement:

#Selfie opportunity - photo booth, while moving through events, backstage, etc.

Leads audience on [💡 Babka Quests](#).

Chases orbs freely or towards [🌟 Babka Live Activation Concepts](#).

Can take photographs and video of participants and share to web. Participants can scan their badge or share a QR code type tech so Nushi can tag them in Nushi's posts.

Nushi Robot

This is a placeholder for the [Nushi Robot currently in development in Loonshots](#).

[⚡ LOON-5399: Nushi Robot](#) [RESEARCH](#)

A functional robot: Cybercat rendition of Nushi with Unitree go1 as foundation.

With hollywood creature design to craft it into an adorable, engaging, interactive Nushi.
